SUPERANNUATION

Item 45

If you are making an application for orders for property settlement and you have a superannuation interest you must attach a completed Superannuation Information Form in relation to that interest to this financial statement. The Superannuation Information Form is available in a Kit from any Registry of the Family Court and from the Court's website. It is a form that you send to the Trustee of your superannuation plan and seeks information which is necessary to enable the type of superannuation interest to be identified, a valuation to be determined of most superannuation interests and to inform the Court of various matters which may affect the order it makes. Depending on the type of orders sought by you a valuation of your superannuation interest must be determined before the order can be made. For example, this is the case if a splitting order is sought in accordance with Section 90XT of the Family Law Act. You should seek legal advice about these matters.

Part J Superannuation

You must attach a completed Superannuation Information Form for each superannuation interest if you are seeking an order for property settlement.
